About us

Our Strengths

Our Services

Our Clients

Projects

As the CEO, my goal is to lead this company through its second decade by upholding the values it has cherished in the past and by infusing new techniques available so that our customers continue to receive an unparalleled service of a world class standard. I thank our loyal customers and reaffirm my commitment to service excellence and look forward to your continued support in the future too.

We will continue to give emphasis to providing cost effective and efficient services with the utmost reliability, maintaining our position as one of the most competent and reliable clearing forwarding and logistics service providers.

My team of professionals and I believe in as it is said "forwarding your cargo, retaining your trust" and will be eagerly awaiting the opportunity to share our expertise with you so that each experience with NBS – National Business Services will indeed exceed your expectations.

About us

National Business Services (NBS) is veteran in the Customs Clearing and forwarding business, established with a mission and committed to be an industry leader of customized clearing and forwarding solutions, through being innovative, professional and cost effective.

Our organization has achieved steady and continuous growth through hard work, quality commitment and customer satisfaction. Our professional employees work in symphony with the clients to offer best possible services and solutions for their specific needs.

We are serving the trade industry for a considerable period of time through tailor-made services for import/export, handling of a wide range of commodities and having long term relationship with our clients. And, have not experienced any difficulty in obtaining repeat business for them.

Our Strengths

Customer Satisfaction

It's a well known fact that no business can exist without customers. Therefore, customers are the most valuable for us and we strive to exceed their expectations every time. Our customer's trust in our capabilities help us to grow exponentially in the fierce competition and it enables us to stand ahead in the industry from our competitors. Thus, to ensure effective services to our clients, we follow following set of actions:

- Complete customs clearance all over Pakistan
- Consultancy for most effective mode of shipment
- Complete documentation
- Timely delivery

**Our mission is to
constantly exceed
customer
expectations**

Trusted Partner

At this highest level we are seen as a long-term partner whose contributions, services, insights, processes, etc. Are seen as critical to the long-term success of their clients.

Our Expertise

Leveraging on our decades of experience, we have developed core competency in customs clearance with perfect knowledge of brokering, documentation and in-land clearance. Our professionals work in close coordination with clients to provide hassle free services within stipulated time frame.

Facilities

For effective operations, we have developed association with leading customs clearance houses or representative offices located across important port cities in Pakistan.

Our Services

As service oriented firm we assure you to provide comprehensive customs clearing and forwarding services for hassle free import and export of consignments by sea, air and road. We also assist our clients in preparing documents related to import and export, taxation, PCT/ HS-Code classification, completion of appraisal and examination procedures and payments. Our team of experienced professional swing into action to clear cargo the moment it arrives, saving our customer's time and money. After completion of all customs formalities & documentations, we deliver the consignments at 'customer's desired destination.

Custom Clearance All Over Pakistan

Sea Port
Air Port
Dry Port

Our spectrum of services include the following

- Custom Clearance
- Temporary Import & Subsequent Re-Export
- Freight Forwarding (ocean & Air freight)
- Door-to-Door Delivery
- Project Logistics
- In-Land Transportation
- Warehousing
- Consultancy
